

XTRACT Caps XL

(X60 – 7035) v 23802

Description

XTRACT Caps XL is a blend of a natural essential oils namely Capsicum from chilli pepper and hydrogenated vegetable oil. It acts as a natural alternative to help alleviate heat stress for both monogastric and ruminant animals.

Features

- Manufactured in accordance with ISO Fusion Technology ensuring:
 - Homogeneous distribution and flow-ability
 - Stability, uniformity and analytically traceable
 - Thermally protected by a retention agent
- Proven mode of action with the use of *in vitro* modeling systems and animal trials.
- Compliant with EU regulations, free of GMO and animal products, FAMI-QS certified.

Benefits

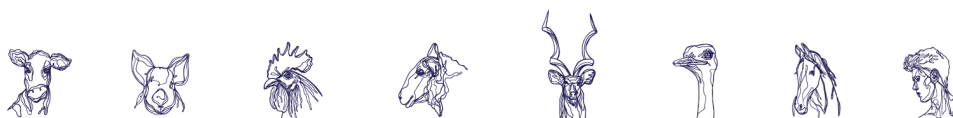

- Fractionates feed intake to reduce the risk of significant changes in rumen pH
- Can increase feed intake
- Reduces oxidative stress
- Improves insulin secretion and glucose uptake
- Bioactive agent for improved vasodilation of blood vessels and energy utilization
- Reduces effect of heat stress in animals
- Increases performance and feed intake during heat stress
- Improves natural cooling system

Application

dairy and beef	250 - 300 mg / animal / day
sheep	45 – 50 mg / animal / day
poultry and pigs	20 – 50 g / tons
